

Ringo Star Cluster-P3

Pendant LED and acoustic module - Direct/indirect light distribution

Ringo Star Cluster-P3. LED. Pendant LED and acoustic module. Direct/indirect light distribution. Opal diffuser for enhanced light transmission and perfect uniform illumination. Surface finish: Urban Graphite. Dimmable DALI. Colour Rendering Index (CRI): >80.

Colour temperature: 3000K (Warm White). Medium-Power. D=1000mm/ring. W=60mm. H=100mm. Ceiling rose: Matching luminaire's surface colour. IP20. consisting of modules/accessories

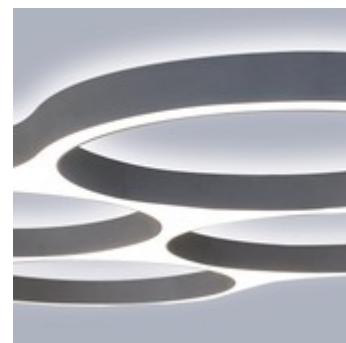

Article code: RP3OUL-830M-#rings

Ringo Star Cluster-P3

Pendant LED and acoustic module - Direct/indirect light distribution

Customer / Project: _____

Note: _____

Productname	Ringo Star Cluster-P3	Degree of protection	IP20
Lamp	LED		
Installation Type	Pendant LED and acoustic module		
Light characteristics	Direct/indirect light distribution		
Optical system	Opal diffuser		
Surface finish	Urban Graphite		
Control	Dimmable (DALI)		
Colour Rendering Index (CRI)	CRI>80		
Colour temperature	3000K		
Current/Power	LED Medium-Power		
Cable Colour	Power supply: transparent		
Length L/Diameter D (mm)	D=1000mm/ring		
Width W (mm)	W=60		
Height H (mm)	H=100
